What is Public Art?

Boynton Beach Art in Public Places
Enriching our Community through Public Art
The Art in Public Places Program mission is to integrate the arts into the greater community. The program’s purpose is to stimulate cultural interaction, education and economic development by selecting, siting, installing and maintaining public art.

Its vision is to connect the cultural environment in Boynton Beach with the global community.
PUBLIC ART ORDINANCE 07-002

The program is funded through the City's public art ordinance that collects one percent of construction value of development and redevelopment projects.

The 70 percent of the one percent is the budget to create and install Public Art in the development and redevelopment projects in the City.

The remaining thirty percent, funds the Public Art department and programs such as Avenue of the Arts, the International Kinetic Art Exhibit and Symposium and rotating exhibits throughout the City.
Avenue of the Arts

- Generates cultural tourism
- Demonstrate investment in the community.
- Improves brand image and creates character.
- Awareness of City amenities, businesses, restaurants assisting with economic development.
